

East Grand Rapids High School

Cross Country and Track Fundraiser

You have a great opportunity to showcase your support for our cross country and track teams permanently at the new athletic Field Events Center.

All proceeds will support the record board on the new Field Events Center next to the Honors Garden. The record board will include the Top 20 All-Time XC performances and Track and Field School Records.

We hope to offer this fundraiser again at the conclusion of each season.

Deadline for all orders: September 7th, 2009

Honors Garden – This newly created garden is located next to the Field Events Center in the track plaza. Above the Honors Garden will be the record board and individual signs recognizing the 9 State Championship teams in our cross country and track programs. In the middle of the garden will be a brick pathway made of 8”x 8” personalized grey brick pavers. Athletes are inducted into this garden if they meet one of the following criteria in our cross country and track programs:

- Any member on a state championship team
- Received 1st team All-State recognition
- Set a school record or All Time Top 20 XC 5K performance

Letterman’s Curve – Help our current athletes feel the tradition every time they run by the west corner of the track. The pathway between the track and fencing will be lined with 4”x 8” brick pavers. Athletes may purchase these bricks if they’ve attained the varsity letter requirements in cross country or track.

Pillar Sponsorship – These spots are limited!! Located along Letterman’s Curve are 9 brick pillars where a family or business may show their support. These plaques are made of cast aluminum and can include a logo, slogan, family name, or words of encouragement for the teams.

You can personalize your brick or sign in a variety of ways:

Name	Times	Years Completed
Accomplishments	Memories	Events
Graduation Year	Dedications	Themes/Slogan
