

EGR Cross Country and Track Alumni Tailgater

We welcome all current and former runners, families, and friends to come join us for our first Alumni Tailgater. This is a great chance to share memories of your seasons together at the grand opening of our new athletic facilities. We hope to unveil our new Cross Country and Track record board located on the Field Events Center.

Afterwards, buy a ticket and support our football team as they open the season against Orchard Lake St. Mary's.

Our 10th anniversary of the XC Pioneer Classic will be held at Manhattan Park at 8:00am that morning. Come out and support the current Cross Country teams as they start the 2009 season.
