Gutbuster of the Meet

What a great day for our team! We're continuing to show improvement each and every race! The Varsity showed up big time with a 3rd place finish, while the Reserves had the same outcome in a very competitive race.

A little recap -- 11 PR's, another all-time freshman record, 3 course records, and defeating all Division 2 teams at a very competitive invitational. You should be very proud of all your accomplishments individually and as a team today!

Let's keep working hard each day. Keep up the great attitude and spirit at practice and the meets. It's getting closer to that exciting time of year and we need each one of you to reach our team goals. Greenville at Johnson Park is next!
