We've come a long way these past 4 years!! 3rd, 3rd, 2nd, and now 1st place at the Conference Meet. Our persistence and dedication to our training has led to our wonderful performance today! It started this summer and the hard work has paid off. I'm very proud of our team and how we've developed into a competitive force throughout the state.

We couldn't accomplish this without many factors, but one of the biggest is our senior leadership. The seniors have provided guidance and support to everyone on the team. Your effect is shown by our record!!!

Next stop Regionals! Let's focus and keep on doing what we're good at -- competitive first mile and pack running! These two themes will carry us to the State Meet in Brooklyn, Michigan. We're done with the hilly courses, now let's get our mind set for flat and fast -- Gun Lake State Park is our next stop!
