Ohmigoodness, ohmigoodness!!!!!! I don't know if it can get any better than this!!! What a wonderful day for our entire team!! We had PR's all across the board. A new course with great competition pushed us to our limits today. There was heart and desire in those races today and it showed by your pained looks crossing the finish line. The only team with their entire Varsity in the top 50!! Awesome effort and determination to get a fast time in a very competitive atmosphere.

Varsity ran with the big boys today and came away victorious. Great job with the first mile and staying together in a pack. 15 seconds separated our last 5 runners -- that type of running will carry us far into the the season. Enjoy those black championship shirts -- you earned them!

Reserves didn't want to miss out on all the fun. Great showing with some phenomenal times. Big PR's that pushed many to their first Varsity letter. Kristina, Erin, and Lauren earned some hardware with their great effort today!! Keep up the great attitude -- only two weeks until conference!
